The proprietors of the Steam Boat FREDERICKSBURG, have concluded to place her on the route between the District of Columbia, Norfolk and Richmond. By this arrangement, great facilities will be afforded to travelers on this line, by having a Boat twice a week, instead of once, as heretofore.

The Fredericksburg will be commanded by Captain Joseph Nevett, is a swift and good Boat, with a first rate low pressure Engine, and her accommodations for passengers and freight such as it is hoped will give satisfaction.

DR. RELFE'S Botanical Drops.

IS one of the most efficacious compounds in the Materia Medica, for the cure of that class of inveterate diseases produced by an impure state of the blood and a vitiated habit of body, and usually exhibiting themselves in the forms of scrofula, salt rheum, leprosy, St. Anthony's fire, fever sores, (even when the bones are affected, white swellings, (if applied with Dr. Jebb's Liniment) foul and obstinate ulcers, sore legs and eyes, scald-head in children, scurvy and scorbutic gout, pimples or carbuncled faces, festering eruptions and venereal taints throughout the body, in which last case the Drops often cure when mercury fails. They are also the best spring and autumnal physic, to purify and cleanse the system from humours which frequently appear at these seasons of the year. They also aid the process of digestion, and by purifying the blood, prevent the secretion of malignant humours on the lungs. The proprietor confidently relies upon the vast number of cures effected by these Drops, not only in Boston and its vicinity, but throughout the Union, for the best proof of their excellence as an invigorating alterative medicine, in all the cases above specified. This article has recently been pronounced, by a physician of the first respectability, who had witnessed its surprising efficacy, as entitled, in his opinion, to take the lead of all the popular articles known for the above complaints; and indeed it is fast gaining this point in public estimation, throughout the country.

Price \$1 a Bottle, or Six Bottles for \$5.

Dyspepsia! OR INDIGESTION,

TO THE ASTHMATIC & CONSUMPTIVE

THE most prevalent and fatal of all the diseases incident to civilized society—the Consumption—may generally be traced to the least alarming of disorders, a slight but neglected Cold. By estimation it appears that one hundred and fifty thousand persons die annually of the Consumption. Most of these dreadful results may be attributed to common Colds, and a negligent treatment of the harassing Cough that generally ensues, which is usually followed by difficult breathing, pain in the side, and at last ulcerated lungs. Violent and repeated asthmatic attacks also bring on Consumptive symptoms. One or two dollars expended in the purchase of

DR. RELFE'S ASTHMATIC PILLS,

and a little attention to their timely administration, will usually ensure a mitigation of these disorders, and generally effect a cure. The Pills are also an easy and effectual remedy for the symptoms preceding and accompanying the Asthma and Consumption; *Fr Colds, Coughs, Difficulty of Breathing, Tightness and Spasms across the Chest, Wheezing, Pain in the Side, Spitting of Blood, &c.* Few cases can occur of any of this class of disorders in which the purchasers of Dr. Relfe's Pills will not find a rich return for their trifling expenditure. Price—Whole Boxes, 30 Pills, 1 Dollar; Half ditto, 12 Pills, 50 Cents.

TO THE LADIES!

WHITE and SOUND TEETH are both an ornament and a blessing. The best security for their advantages is to be found in the use of the

BRITISH ANTISEPTIC DENTIFRICE.

This very elegant Tooth Power, with a very little use, eradicates the Scum in the Gums, and prevents the accumulation of Tartar, which not only blackens but loosens the teeth and accelerates their decay. The Dentifrice thus removes the prevailing causes of Offensive Breath, preserves the health and floridness of the Gums, and renders the Teeth beautifully white. Price 50 cents.

REMEDY FOR Rheumatism.

THE excruciating pain—the decrepitude and deformity, and the premature old age, which are the usual attendants of this disorder are suffered by many from despair of a cure, or disappointment in the efficacy of the numerous pretended antidotes used to effect this purpose. But those who have made a fair trial of

DR. JEBB'S CELEBRATED LINIMENT,

even in cases of long standing, and of the most severe character, have received certain relief, and many have been cured in a few days, some in 24 hours, as a number of persons in Boston and vicinity, who were formerly afflicted with the Rheumatism, have very fully testified. Certificates are in possession of the Proprietor, proving the most thorough and surprising cures by means of this powerful Liniment, in cases where other approved applications had utterly failed. The Liniment is also used with success for Bruises, Sprains, Numbness, Stiffness of the Joints, Chilblains, &c. Price, 50 cts. a bottle.

DUMFRIES' EYE WATER.

FOR sore or inflamed Eyes gives immediate ease and relief. On recent sore eyes the effect is most salutary. Where the complaint has been of years standing, and in some exceeding bad cases, the most unexpected and desirable relief has been found in the use of this EYE WATER, after every other remedy had failed. Many persons who have used it, pronounce it the best preparation for those complaints they have ever met with, especially in cases of soreness or inflammation of long standing. Price 25 cts a bottle.

DUMFRIES' REMEDY FOR THE PILES.

THE proprietor begs leave to recommend (which he does with the fullest confidence) one of the most valuable remedies known for this troublesome and painful complaint. Without going into detail, he

This remedy is perfectly innocent in its application to all conditions, ages, and sexes. Full directions, description of the complaint, &c. accompanying each packet, which consists of two boxes, Ointment and Eucalyptus. Price, \$1 for the whole or 50 cents if one of the articles is wanted.

DR. W. JUDKINS' Patent Specific Ointment,

SOLD, WHOLESALE AND RETAIL, BY WILLIAM STABLER, Agent, Alexandria.

THE above Ointment is recommended to the public as a safe and certain remedy for those obstinate diseases, some of which have so long baffled the skill of medical science:

- 1st White swellings of every description;
- 2d Sore legs and ulcers of long standing;
- 3d Scirrhus or glandular tumors, particularly those hardened tumors in women's breasts, which often terminate in ulcerated cancers;
- 4th Felons; or what some people know by the name of catarrhs, of every description.
- 5th Rheumatic pains of the joints;
- 6th Sprains and bruises of every description, or whatever part situated;
- 7th Tetters of all kinds. In this complaint the patient, in applying the ointment, must keep the part out of water;
- 8th Chilblains or parts affected by frost.

CERTIFICATE. The following communication addressed to the proprietor of Judkins' Ointment, from the Hon. John T. Clifford, Member of Congress, is highly interesting—The Gratuito manner in which it is made, exhibits feelings of no ordinary character towards suffering humanity; and is certainly well deserving of public attention:

WASHINGTON, January 22, 1829.

SIR—It has been my wish for a considerable time, to communicate to you the good effect with which I have used the Ointment invented by a Mr. Judkins, and which I now understand is made and sold by agents appointed by yourself. I have applied the Ointment during the last three years to every species of tumor and wound, without failure to produce a cure in every instance. I consider it the most decided and efficient remedy in all cases of tumor, be the cause what it may; and I have found nothing so good in wounds of any description. It may be proper to add, that the cure of a tumor called white swelling, given over by the most distinguished physicians as incurable, and which they decided would, without amputation, prove fatal to the patient, was, under my immediate notice, effected by the use of Judkins' Ointment, and the patient is in fine health. His limb affected by the tumor being restored to a perfect state of soundness. Also that the leg of an aged man which had been wounded, and exhibited one dreadfully ulcerated surface from the knee to the foot, and which, for more than two years, had been considered incurable, was successfully cured by the application of Judkins' Ointment. I mention these two cases, which fell under my immediate notice and management, as a decided evidence of the efficacy of this remedy in cases of tumor and ulcers: I have experienced, as decidedly, the good effect of this remedy in the cure of Felons, and of every species of fresh wound. It seems to me that any one who will observe on the operation of this Ointment, must be satisfied as to its beneficial effect. I can with the utmost confidence recommend the use of this valuable remedy.

I am, sir, very respectfully,
JOHN TALIAFERRO
To Mr. CHARLES HERSTONS, Proprietor of Judkins' Ointment, near Fredericktown, Md.

NOTICE. Having been for several years in possession of a concern in Mr. NATHAN SHEPHERD'S patent, for making and vending his Ointment, known by the name of Dr. W. Judkins' Patent Specific Ointment, and said Nathan Shepherd having obtained a new patent thereon, and I having likewise renewed with N. Shepherd the same interest I held before, it is deemed necessary that public notice be given of the circumstance. Having devoted much time and care during the above period, in preparing and making this Ointment, and been instrumental in giving it the general character it has sustained, with whatever improvement, at all this time, it has received, I present it to the public attention. As heretofore, the genuineness of the Ointment may be known by the label around the ointment pot, thus:

*Made and sold, wholesale and retail, near Fredericktown, Md by C. Herstons, concerned in the patent right!—
